Getting to know...

## HALE & HUSH

Hale & Hush is the only professional brand that focuses exclusively on treatment and retail products for sensitive and health challenged skin. As sensitive skin experts, they offer products to help treat, nourish, build, and repair skin. They offer treatments and products to help even the most sensitive and sensitized clients repair barrier function, calm sensitivities, soothe irritations, and reduce inflammation. All of their products are free of gluten, sulfates, parabens, artificial fragrances, dimethicone, and silicone as well as being Leaping Bunny-certified. Beyond sensitive skin, Hale & Hush products also help clients with mature skin, uneven skin tone, dryness, or those needing improvement with brightening, lightening, or texture. Hale & Hush skin care works well with other skin care lines and can prepare and repair skin when combined with more aggressive treatments and various modalities. Hale & Hush offers extensive and advanced training on product knowledge, ingredients, and sensitive skin treatments as well.

## HALE & HUSH®

SENSITIVE SKIN SPECIALIST

**“There are so many things  
I love about this brand –  
quality ingredients in highly  
effective formulations, simple  
yet comprehensive, and ideal  
for sensitive skin with age  
management results.”**

– Gaynor Farmer-Katics, L.E.,  
owner of Enhanced Touch

## QUIET WASH

The most versatile cleanser, Quiet Wash works hard to repair the skin barrier as it deeply cleans and gently purifies. It is great for clients of all ages and skin types.

## RARE C SERUM

With excellent penetration and visible results, Rare C Serum helps combat environmental damage, brightens skin while building collagen and elastin, and reduces the appearance of pore size.

## EYE MOUSSE

The powerhouse of eye treatments, eye mousse helps fight fine lines, wrinkles, dark spots, and puffy eyes while it penetrates deeply to promote collagen and elastin growth.

## THE DYNAMIC DUO

This dynamic combo fights to repair and hydrate skin. Hush Hydrate Mask mixed with Relief Bio Powder can defeat redness, inflammation, and immediately calm and cool skin.

## INCREDIBLE ENZYMES

Four powerful fruit enzymes help lighten and brighten skin. Incredible Enzymes produces an immediate glow, evens skin tone, and combats dullness with one treatment.
