

## DESCRIPTION

Hush Hydrate comes in and brings the peace! Aggravated skin can 'Hush' up and move on. A lightweight moisturizer or mask (multitasking done right) whose number one talent is being a peacemaker. With benefits that work with the skin from the inside out, welcoming the potent anti-inflammatory and anti-allergy properties to sooth, calm and hydrate the skin. With brightening and detoxifying benefits, love the new youthful glow! Finally hushing up irritated and aggravated skin, the skin can finally feel calm, revitalized, and be at ultimate peace.

## BENEFITS

- Instantly soothes, calms and cools skin on contact.
- Anti-inflammatory and anti-allergy healing from the inside out.
- Offers skin protection while detoxifying and brightening.
- Dual Purpose: May be used as a lightweight moisturizer or mask.

## PRESENTATION

**Retail:** 1.7 oz. Airless Pump Bottle

**Professional:** 6.5 oz Pump Bottle, 8 oz. Tube

## SKIN TYPE

All Skin Types

## PH

5.05

## USAGE

As a moisturizer, apply a small amount of Hush Hydrate Gel to skin once or twice daily. As a mask, apply Hush Hydrate Mask liberally over cleansed skin, perform desired modalities, and remove residual product. Always apply sunscreen to provide a protective barrier.

## CAUTION

Do not use if the skin is broken/cracked. For external use only. Avoid contact with eyes. Keep out of reach of children. Please check a Physicians Desk reference to make sure there are no contraindications with medications and ingredients.

## INCI INGREDIENT LIST

Aqua (Water), Caprylic/Capric Triglyceride, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Squalane, Leuconostoc/Radish Root Ferment Filtrate, Pichia/Resveratrol Ferment Extract, Melia Azadirachta (Neem) Leaf Extract, Melia Azadirachta (Neem) Flower Extract, Corallina Officinalis Extract, Coccinia Indica Fruit Extract, Solanum Melongena (Eggplant) Fruit Extract, Aloe Barbadensis Flower Extract, Curcuma Longa (Turmeric) Root Extract, Ocimum Sanctum Leaf Extract, Ocimum Basilicum (Basil) Flower/Leaf Extract, Hamamelis Virginiana (Witch Hazel) Water, Citric Acid, Sodium Hydroxide, Alcohol, Potassium Sorbate, Polysorbate 60.

## KEY INGREDIENTS

**Pichia/Resveratrol Ferment Extract (Giant Knotweed):** Pichia/Resveratrol Ferment Extract (Giant Knotweed) is a natural skin protector that has high antioxidant activity and can naturally protect skin from environmental stressors. One of the main benefits of resveratrol is protecting against accelerated aging effect of free radical damage. Resveratrol can have a two-fold effect, both neutralizing free radicals and boosting antioxidant levels so the skin can better defend and repair itself. Pichia/Resveratrol Ferment Extract is also known for visibly plumping the look of skin, and significantly improves fine lines, wrinkles, and elasticity. The anti-inflammatory and collagen synthesis activity target micro-inflammation and maintain the structural integrity of skin cells through the dermal epidermal junction. Other key benefits include immediate and long-term moisturization, pigment reduction and brightening, a reduction in redness and enhancement of the skin barrier.

**Squalane:** Squalane is a lightweight emollient that is great for softening or smoothing the skin, as it may help to support the natural outer barrier of the skin. It is also a good option for dry and irritated skin, as it has been shown to help calm redness and inflammation. Squalane is a skin-identical emollient that helps support the skin's natural barrier protection and skin moisturization. It can boost radiance, skin smoothness, make skin feel plumper and more supple, improve texture, and make fine lines less noticeable. Squalane also can alleviate the appearance of temporary redness and inflammation and help with acne and eczema.

**KEY INGREDIENTS - *continued***

***Melia Azadirachta (Neem) Leaf Extract:*** Melia Azadirachta (Neem) Leaf Extract is a plant extract that is rich in fatty acids, including oleic, stearic, palmitic, and linoleic acids. Neem also contains Vitamin E, carotenoids, Vitamin C, and quercetin. These natural ingredients make neem a potent anti-fungal, antipyretic, antibacterial, and anti-inflammatory. Neem Oil is commonly used to combat bacterial skin infections and inflammations, such as eczema, dermatitis, and acne. Neem can treat acne, reduce blemishes, and improve skin elasticity. Neem is also a botanical skin brightener, reduces inflammation, promotes wound healing, slows the aging process, and promotes healthy skin.

***Aloe Barbadensis Flower (Aloe) Extract:*** Aloe Barbadensis Flower Extract (Aloe) has been used for centuries for its medicinal properties and is known for its ability to reduce inflammation, reduce irritation, soothe, and heal the skin. Aloe Vera Gel contains compounds called polysaccharides that encourage skin repair and new skin cells to develop. It also has anti-inflammatory properties that can reduce pain, swelling, and soreness of wounds or injuries. It helps to lock in moisture, prevent dehydration, promotes healing, and treats various skin conditions (acne, eczema, and psoriasis).

***Curcuma Longa (Turmeric) Root Extract:*** Curcuma Longa (Turmeric) Root Extract has been used for centuries and contains curcumin, a bioactive component with anti-inflammatory and antioxidant properties that can help manage several skin issues like signs of aging, pigmentation, acne. Curcumin can help reduce inflammation and redness in the skin and is also known to improve skin texture and radiance. This extract is known to be a skin healer, helps heal wounds, regulates sebum production, reduces dark circles, and protects against premature aging. It is especially effective at fighting eczema, psoriasis, and calming skin rashes.
